| 3.   | Amortization of Grant for the year.                 | 14,105,836    |
| 4.   | Addition in capital work in progress.               | 1,569,584,773 |

- d) We have received representation letter duly signed by the Managing Director and Deputy Managing Director (Finance) as per draft provided by us: and
- e) We have received system generated adjusted pre closing and post- closing trial balances.

# RESPONSIBILITIES OF THE AUDITORS AND THE MANAGEMENT IN RELATION TO THE FINANCIAL STATEMENTS

The responsibilities of the independent auditors, in an audit of financial statements, are explained in International Standard on auditing 200 "Overall objectives of the independent auditor and the conduct of an audit in accordance with international standards on auditing. 'While the auditors are responsible for forming and expressing their opinion on the financial statements, the responsibility for preparation of the financial statements is primarily that of the management in accordance with applicable financial reporting framework, which includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of financial statements that are free from material misstatement whether due to fraud or error. The management's responsibilities include providing the auditor with;

- all information, including records and documentation for accounts and information related to, other matters that are relevant to the preparation and presentation of the financial statements;
- (ii) any additional information that the auditor may request from the Institution and, where appropriate, those charged with governance; and
- (iii) Unrestricted access to those within the entity from whom the auditor determines it necessary to obtain audit evidence. The audit of the financial statement does not relieve the management of its responsibilities. Accordingly, our Examination of the books of accounts and records should not be relied upon to disclose all the errors or irregularities in relation to the financial statements

We would like to draw your attention toward the following important matters:

We will appreciate if the management can go through the following recommendations in order to conclude audit engagement effectively and efficiently.

- A person from the managementmust be appointed as a coordinator who is only responsible
  for the work of the Board. His responsibility includes coordination with different divisions,
  ensuring that information is available before the commencement of audit, balances are
  properly brought forward from previous year, books of accounts have been closed properly
  etc.
- Financial statements closing procedures like preparation of management accounts, booking
  of accrual expenses, preparation of bank reconciliation, recording of accrued revenue and
  investment income are properly executed at every division. This exercise should be done at
  least on quarterly basis.
- 1. Capital Work in Progress Projects

#### I. TAMEER E KARACHI PROGRAM:

Capital expenditure amounting to Rs.925,857,807/- on account of Tameer e Karachi Program includes part payment by City District Government Karachi. However, the basis and documentation of payment on behalf of CDGK ranging from 25% to 50% could not be ascertained by the supporting bills.

# II. THE GREATER 100 MGD WATER SUPPLY (K-III):

The project is part and parcel of K-III Project, directly financed by the Government of Pakistan as Grant in Aid, to provide an additional 100 MGD water to the city of Karachi. We have observed that the measurement books and their supporting payment vouchers of two major contractors responsible for the execution of 100 MGD K-III project provided to us did not reconcile with the treasury payment register and reconciliation statement.

#### 2. Trade Debtors

It was observed during the course of audit, the management could not take effective measures to recover outstanding dues from defaulters which indicates weak financial management and lack of concentration of the concerned department. Therefore, necessary steps are required to enforce the prescribed procedures for recovery of trade debtors on timely basis.

The Resource and Revenue Generation (R.R.G) department failed to provide the reconciliation summary of active bulk and retail consumers in order to conclude the amount receivable against water and sewerage services. We have observed there is no correlation between LT and R.R.G department which constrains us to provide reasonable assurance regarding the accuracy of amount outstanding.

# 3. Availability of Funds Account:

We have not been provided any supporting evidence regarding the availability of funds released by the Provincial and Federal Government for the execution of projects and schemes reflected in the General ledger.

#### 4. Consumers Security Deposit:

The Board does not maintain month wise consumer security deposit ledger due to which the deposits made during the year in lieu of water connection could not be reconciled with the supporting documents provided by the management.

#### 5. Execution of Contracts:

We have not been provided completion reports (PC-I to PC-V) of any of the projects completed during the year. However, the Board should direct the project directors to make it mandatory for the initiation of the projects to maintain project completion reports since the initiation of schemes/projects as mentioned in the manual for development projects.

#### 6. Payment to Contractors:

We observed that management releases part payment to contractors, purely at their discretion, having no supporting evidences attached to the payment vouchers. There is no formal policy or basis adopted by the Board for payment to the contractors.

#### 7. Revenue:

Resource and Revenue Generation Department does not maintain separate billing summary reports for bulk and retail consumers. During the course of audit, we have observed non-reconciliation of collection summary provided by the relevant department with Revenue and Resource Generation department, thus resulted into non-verification of collection recorded in the cash books.

# 8. Expenditure:

Every payment voucher must be supported by a third party invoice / bill. All financial transactions should be duly authorized and recorded promptly, clearly, accurately, logically and coherently. However, in majority of cases the proper supporting documents were not attached with the payment vouchers.

#### PAYROLL:

List of employees joined and resigned during the year does not reconcile with the employees monthly payroll sheets.

#### MEDICAL FACILITIES:

In case of expenditure on account of medical and laboratory facilities to the employees, supporting bills are not attached with the vouchers.

#### LEGAL AND PROFESSIONAL CHARGES:

We have not been provided the agreements of the legal advisors during the course of audit and we could not ascertain what services have been rendered by them and the payments made to them against those services.

#### SERVICE CHARGES AGAINST COST OF RAW WATER:

We have not been provided with the agreements with the Government of Sindh (G.O.S) and Water & Power Development Authority (WAPDA) in lieu of irrigation services for making the raw water available to the bulk transmission and distribution.

#### • CHEMICALS CONSUMED:

With respect to expenditure amounting to Rs. 29,663,605/- in lieu of chlorination of raw water,we have observed that no third party evidence is attached to the payment vouchers.

# • REPAIR AND MAINTENANCE OF VEHICLES:

We have not been provided any Log books, history sheets, vehicle maintenance record against vehicle maintenance expenditure amounting to Rs.108,421,556 /-

# 9. Internal audit functions:

It has been noted that internal audit function, apart from pre-audit of payments and post-audit of transactions, may be extended to compliance and monitoring required under its operating manual. Further, we have not been provided any internal audit report. There should be a separate section in finance department instead of audit department which should pre review all large payments as the basic responsibility is that of Finance and not of audit.

#### 10. Financial and Accounting Policies:

Financial statements closing procedures like preparation of management accounts, booking of accrual expenses, preparation of bank reconciliations, reconciliation of contractor's ledger with the system etc.should be done before the commencement of audit engagement. We have noted that certain departments do not have documented accounting and financial policies and procedures. Further the Key personnel should be made aware of the accounting policies and standard operating procedures that are adopted by the Board. This leads to inconsistencies and non-application of policies.

#### 11. Accounting Software:

We noticed that the computerized accounting software CRT has been employed by the Board since long. However, we are of the view that the software needs updating, particularly with the modernization in the field of finance and accounts.

#### 12. General:

We have been informed by the management that as of the date of financial statements:

All events subsequent to the date of financial statements have either been adjusted or disclosed.

There are no contingencies and commitments other than those disclosed in the enclosed draft financial statements.

We wish to place on records the courtesy and co-operation extended to us by your staff during the course of our audit.

# **Auditors' Report**

# **Report on the Financial Statements**

We have audited the annexed balance sheet of Karachi Water and Sewerage Board (the Board) as at June 30, 2009 and the related income and expenditure account and the cash flow statement together with the notes forming part thereof (hereinafter referred to as the "financial statements") for the year then ended.

# Management's Responsibility for the Financial Statements

It is the responsibility of the Board's management to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with the approved accounting standards as applicable in Pakistan.

# **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on the audit conducted in accordance with International Standards on Auditing. Because of the matters described in the 'Basis for Disclaimer' of Opinion paragraph, we were unable to obtain sufficient appropriate audit evidences to provide a basis for an audit opinion.

#### Basis for Disclaimer of Opinion

- We have not been provided documentation relating to Long term loan from international lending agencies, Karachi Development Authority and Government of Sindh amounting to Rs. 23,714,550,666, Rs. 103,116,647 and Rs. 57,977,000 respectively as shown in notes no. 6.1, 6.2 and 6.3 to the financial statements, as a result we were unable to determine whether any adjustments might have been found necessary in respect of the said loans and the elements making up the income and expenditure account.
- Proper record / documentation for Long Term Deposits amounting to Rs. 299,276,139/stated in the Balance Sheet which represent non-refundable security deposits against water connection is not maintained thus we are unable to verify the completeness of the deposits made during the year.
- 3. Accrued expenses, as disclosed in note 9.1 to the financial statements, include an amount of Rs. 54,261,450 which represents interest on loan provided by Provincial Government to Karachi Development Authority in 1987 which was subsequently transferred to the Board. However, no documentation has been provided to us to determine the provision for any interest charges subsequent to June 30, 1993 which was required to be made in these financial statements.
- 4. As disclosed in note 9.1 to the financial statements, an amount of Rs. 4,234,150,942 represents dues outstanding payable to Karachi Electric Supply Corporation (KESCO) on account of electricity charges. The accuracy of the amount could not be ascertained in the absence of related documentation consequently, we are unable to confirm the amount due.

- 5. As disclosed in note 9.1.1 to the financial statements, an amount of Rs. 208,478,247 has been shown as payable to employees on account of staff retirement benefits. It includes amount outstanding in lieu of general provident fund of the employees. As per the Sindh General Provident Fund Rules 1938, Government shall pay interest to the credit of the account of an employee subscribed at such rate, as may be prescribed by the Government of Sindh annually. However, the information and amount in respect of opening balances and contribution made to the fund differs from the information provided by the Fund department. Further, no provision of interest has been accounted for in these financial statements; thus, we are unable to assess the adequacy and appropriateness of the amount disclosed in these financial statement in this respect.
- 6. We were not provided consolidated division-wise fixed assets register as required under Rules nor any details or breakup of Property, Plant and Equipment amounting to Rs. 15,678,346,008 as stated in Balance Sheet were provided, thus, in the absence of such record, we are unable to verify the physical existence of fixed assets.
- 7. We were not provided the project completion reports relating to Capital Work in Progress amounting to Rs. 17,480,167,297 with respect to various projects in progress as such completion reports are not maintained by the Board. Consequently, we are unable to determine whether the projects have been completed and those are correctly classified and stated in the Balance Sheet.
- 8. As disclosed in note No. 15.1 to the financial statements, an amount of Rs. 6,645,072,523 represents receivable against water and sewerage charges from consumers of bulk sector. The consumer wise breakup provided by the billing department did not reconcile with the month wise breakup provided by the I.T department. We are thus unable to verify the accuracy of the consumers' billing during the year.
- 9. Trade debtors amounting to Rs. 8,559,584,878 represents amounts receivable against water and sewerage charges from the retail consumers, which due to transition of the data transmission from the I.T department to the Billing department has resulted in numerous errors. As a result, we have not been able to verify the existence and accuracy of retail consumers shown in the Financial Statements. Moreover, the Board has made a provision of Trade Debts amounting to Rs. 3,839,506,440 for which no basis is shared with us hence we are unable to determine the accuracy of provision against doubtful debts.
- 10. As disclosed in Note 17 to the financial statements, the amount of Rs. 304,793,307 represents receivable from Karachi Development Authority and Karachi Metropolitan Corporation appearing in the books since the time of forming a separate body corporate under Government of Sindh. However, the management is of the view that the balance will remain constant and there is no subsequent change in the balance. However, the nature of such receivable could not be ascertained and the management could not provide proper documentation in this regard. Therefore, the amount outstanding against Karachi Development Authority and Karachi Metropolitan Corporation remains unconfirmed by the concerned authorities.

NZM

- 11. No breakup of the Revenue from Water and Sewerage as shown in the Income and expenditure account has been provided to us and in the absence of any supporting document, we are unable to verify the accuracy of the amount in lieu of revenue generated against water and sewerage sources.
- 12. As disclosed in note 21 to the financial statements, cost of revenue includes expenditure incurred on account of repair and maintenance on the projects once those are completed. As mentioned in the manual for Project development, the project proforma (PC-V) is required to be furnished on an annual basis for a period of five years by the agencies responsible for the operation and maintenance of the projects. However, in the absence of PC (V), the actual amount of capital and revenue expenditure incurred on the projects during the year could not be bifurcated. Therefore, we could not determine the adequacy of the amount representing revenue expenditure on the projects.
- 13. Confirmations from legal advisors dealing with significant cases have not been received, due to which we have not been able to verify the existence of any legal disputes which may require disclosures of contingencies or which may have a material impact on the financial statements at the reporting date.

### **Disclaimer of Opinion**

Because of the significance of the matters described above in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

#### KARACHI WATER AND SEWERAGE BOARD NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2009

# 1 LEGAL STATUS AND NATURE OF BUSINESS

Karachi Water & Sewerage Board (KW&SB) is a body corporate, established on 21st February 1983 as a Board within the Karachi Metropolitan Corporation (KMC) under Chapter XVI Section 121 of the Sindh Local Government (Amendment) Ordinance, 1983 (the Ordinance).

From that date it took over the water distribution system from Karachi Water Management Board (KWMB), Bulk Water Transmission from Karachi Development Authority (KDA) and sewerage system from Karachi Metropolitan Corporation, in all the districts of Karachi. The KW&SB has been separated from KMC and formed as a body corporate under the direct control of the Government of Sindh (GOS) vide Karachi Water and Sewerage Board Act, 1996 assented, by the Provincial Assembly of Sindh on 15<sup>th</sup> April, 1996.

# 2 BASIS OF PREPARATION

# 2.1 Statement of compliance

These financial statements have been prepared in accordance with the Sindh Local Government (Amendment) Ordinance, 1983 (the Ordinance), the Sindh Council (Budget) Rules 1985, the Karachi Water and Sewerage Board Act, 1996 and the generally accepted accounting principles as applicable in Pakistan.

#### 2.2 Basis of measurement

These financial statements have been prepared under historical cost convention except, for sewerage assets transferred from Karachi Metropolitan Corporation in 1983 and accounted for in the books of accounts in the year 1995-96, on the basis of valuation done by the Board's consultant at the replacement and current market values.

#### Accrual concepts

These accounts have been prepared on accrual basis, except certain employees benefits expenditure, which are recognized on payment basis. This practice is in accordance with the provision of section 74 sub section (1) and (2) of the Sindh Council (Budget) Rules 1985.

#### **Presentation of Financial Statements**

The form of presentation of these financial statements accord generally with the need of major International Lending Agencies.

# 2.3 Functional and presentation currency

These financial statements have been presented in Pakistan Rupees, which is the functional currency of the Company and rounded off to the nearest rupee.

# 3 Significant Accounting Policies

The principal accounting policies adopted are set out below:

#### 3.1 Government grants

Assets-related to grant received from government are initially recognized in grant as deferred credit and carried to balance sheet and upon completion of the project, are appropriated as income by setting off against the charge of depreciation as given in note 13.1 on a systematic basis over the useful life of the related assets.

# 3.2 Creditors, accrued and other liabilities

Trade and other payables are recognised initially at fair value plus directly attributable cost, if any, and subsequently measured at amortised cost.

# 3.3 Short-term deposits

These represent work executed on the authorization / approval of GOS and, other agencies through contractors and excess of work done over payments to contractors on account of specific work is classified as short-term deposits

# 3.4 Staff retirement benefits

According to the Ordinance, the Pension, Gratuity and other service benefits admissible to employees of Karachi Development Authority, Karachi Metropolitan Corporation and Karachi Water Management Board , who retired or died while serving in Water Supply and Sewerage Services before the commencement of the Ordinance shall be the responsibility of the Board. Payment in respect of all staff retirement benefits whenever due are being made by the Board and duly accounted for in the books of accounts, annual provisions are made to meet the obligation of pension and other employees benefits.

# 3.5 Property, Plant and equipment

Fixed assets are stated at cost less accumulated depreciation. Depreciation on fixed assets except land is charged to income applying the reducing balance method at the rate specified in the Income Tax Ordinance, 1979 except in the case of motor vehicles which are depreciated @ 10% per annum.

In respect of additions, depreciation is charged for the full year and no depreciation is charged on deletions in the year of disposal. Gains and losses, if any, on disposal of assets during the year are taken to income and expenditure account.

The assets shown under 'schemes' represents capital expenditure incurred on the specific Schemes and Projects. These include cost of pipelines, civil works, equipments, furniture and establishment expenditure. Expenses on minor repairs, improvement and development of pipelines etc., are charged to income and expenditure account as and when incurred.

Assets taken over from KMC in 1983 were incorporated in these accounts as fixed assets during the year 1995-96 on the basis of a valuation placed by Board's consultants. The related credit has been accounted for as capital reserve. Depreciation is being charged from the date of incorporation of these assets in the books of accounts of the Board.

Sewerage assets generally include mains, sewers, impounding and pumped raw water storage reservoirs and sludge pipelines and plants and machinery

Expenditure relating to increase in capacity or enhancement of the network is treated as additions to the sewerage assets. Expenditure on maintaining the operating capabilities of network is charged as operating costs.

Sewerage assets are depreciated over their estimated operational economic lives. Assets in the course of construction are not depreciated until commissioned.

# 3.6 Capital work in progress

Capital work-in-progress is stated at cost less accumulated impairment, if any, and consists of expenditure incurred and advances made in respect of property, plant and equipment in the course of the acquisition, erection, construction and installation, including salaries and wages and any other costs directly attributable to capital work-in-progress. The assets are transferred to relevant category of operating fixed assets when those are available for use. Spare parts, standby equipment and servicing equipment are recognised as property plant and equipment when these meet the conditions to be classified as such.

# 3.7 Stores and spares

Stores and spares are valued on average cost. Stores and spares purchased for projects are charged off to relevant projects irrespective of their physical consumption/usage. Other direct purchases of stores and spares are charged to relevant budget grants. The applicability of the provision of Para 115 (b) Section II of Sindh Financial Rules relating to the valuation of the inventories in hand at the end of the year are not considered due to their insignificant value at the close of the year.

M2W.

# 3.8 Trade debts

Trade and other receivables are recognized at fair value and subsequently measured at amortised cost less impairment losses, if any. Actual credit loss experience over past years is used to base the calculation of expected credit loss.

# 3.9 Cash and cash equivalents

Cash and cash equivalents for cash flow purposes include current and deposit accounts held with banks. A Treasury Single Account (TSA) is a unified structure of government bank accounts that gives a consolidated view of government cash resources. Based on the principle of unity of cash and the unity of treasury, a TSA is a bank account or a set of linked accounts through which the government transacts all its receipts and payments.

# 3.10 Provison for doubtful debts

The Boards policy for provision for doubtful debts is made as per the following estimates. Debtors outstanding for the period:

| 1-2 Years         | 5%   |
|-------------------|------|
| 2-3 Years         | 10%  |
| 3-4 Years         | 15%  |
| 4-5 Years         | 50%  |
| 5 Years and above | 100% |

# 3.11 Revenue recognition

Income on account of water and sewerage charges is recognized on accrual basis.

Interest income from banks is accounted for on the basis of actual receipts net of witholding tax.

#### 3.12 Expenses

All expenses are recognized in the profit and loss account on an accrual basis.

#### 3.13 Provisions

A provision is recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. However, provisions are reviewed at each balance sheet date and adjusted to reflect current best estimate.

|     |  |       |               |               |  |

These are incorporated in the books of account of the Board on the basis of consultant's reports. Such reports were approved by the Board in its meeting held on April 17, 1986.

- 4.1.1 These debentures were issued by the KDA and at the time of taking over of assets and liabilities these were incorporated as capital reserves and hence no interest has been charged in accounts since 1983.
- 4.2 This represents assets transferred from KMC in 1983. Due to non-availability of proper record, these were not taken into account in earlier years upon the transfer. A consultant was appointed to carry out the valuation of these assets. The consultant's report was considered by the Board and value assigned to these assets by the consultant were incorporated in these financial statements.
- 4.3 This represents the net effect of restatement of consumers receivable on account of balance outstanding against water bills abstained from input into the computer system.

- 5.2 This represents fund released by the Federal Government as *Grant in Aid*, for the execution of the Greater 100 MGD Water Supply (K-III-Project. The Board undertakes its execution through local contractors for all civil, electrical and mechanical works.
- 5.3 This represents release of fund from Provincial Government and City District Government Karachi (CDGK), as the program is envisaged to be carried out through their concerted efforts. It is to facilitate the construction and rehabilitation of roads, bridges and flyovers, rehabilitation of rivers and nullahs, removal of transport bottlenecks, expansion and improvement of water supply, drainage and sewerage services.

5.4 This represents the amount adjusted by the Federal Adjuster Government of Pakistan (G.O.P) out of monthly releases of Government of Sindh (G.O.S) on account of Karachi Electric Supply Corporation (K.E.S.C), dues payable by the Board vide Government of Sindh (G.O.S) letter No. FD (W&M -I) 14(16)/95, dated April 23,1996 and further confirmation by Chief Controller Billing (K.E.S.C). Previously, this amount was tree ed as liability , now the management of the board is of the view that this amount will not be demanded by the Government of Sindh (G.O.S) thus it is no longer considered as liability.

- 6.1.2 Other charges represent commitment and service charges payable semi annually to the Provincial Government by the Karachi Metropulitan Corporation on behalf of the Board.
- 6.2 This represent loans transferred from Karachi Development Authority in 1986-87 and accordingly accounted for in these accounts at the principal amount thereof. No provision for interest subsequent to June 30, 1993 has been made in these accounts as the management of the Board considers that such provision is not required.
- 6.3 It includes loan of Rs.10,000,000/- transferred from Karachi Water and Management Board at the time of taken over its assets and labilities. This loan was provided for installation of community tap system at Orangi. The balance represents funds released by Government of Sindh for the execution of various development schemes.

#### 12 CONTINGENCIES AND COMMITMENTS

12.1 As referred in note 4.1 to these financial statements, the matter is in litigation in High Court and Lower Court. However, the management and legal advisor are hopeful that the matter will be decided in favor of the Board and the Board will not be required to make payment in respect of principal amount of debenture and related interest thereon.

- 14.1 This represents projects executed by KW&SB funded by Federal and Provincial Governments as counter part funding by the international lending agencies. The proceeds of loan under Commonwealth Development Corporation (C.D.C) and Overseas Co-operation Fund (O.E.C.F) PK-P40 Japan are channelled through the Government of Sindh (G.O.S) which, in turn, lend it to the Karachi Metropolitan Corporation (KfAC) at an annual interest rate of 11%. However it: further lend the proceeds to the executing agency, Karachi Water and Sewerage Board (KW&SB) on the same terms. The projects aim to increase the quality, reliability, and coverage of water supply, waste water and solid waste management services in participating towns.
- 14.2 This represents balances in the banks associated with projects which are still outstanding.
- 14.3 The Board undertakes various schemes from the allocation of fund by the Government of Sindh (G.O.S) and other agencies. The coard is benefited from the ultimate use of such assets and the revenue generated there from. A review of such schemes was carried out based on the book value.
- 14.4 This represents capital expenditure on Greater 100 MGD water supply (K-III) to increase potable bulk water supply and further augment water availability by introducing water loss reduction measures. It is financed through Government of Pakistan (G.O.P) as Grant in Aid for water supply sector. The Project is the part and parcel of K-III Scheme to provide an additional 100MGD water to the city of Karachi
- 14.5 This represents capital expenditure on the Tameer-e-Karachi Programme (TKP), geared specifically towards rebuilding Karachi (and 13 some extent, Sindh) by providing vital physical infrastructure and other civic amenities in key target locations, particularly in the industrial areas through the concerted efforts of the CDGK, and the Provincial government.

|      |  |      |               |               |

17.1 The balance remain static and reported accordingly during the year.

#### 19 Cash and bank balances

Cash at banks

| - Current accounts |      | 20,812,672 | 363,246,276 |
|--------------------|------|------------|-------------|
| - Deposit accounts | 19.1 | 46,278,355 | 42,524,137  |
|                    |      | 67,091,027 | 405,770,413 |

19.1 It carries profit ranging from 0.5% to 2 % (2008: 0.5% to 2%) per annum.

#### 20 Revenue from Water & Sewarage

Income from water

| Buik consumers       | 3,286,999,767 | 2,252,783,188 |
|----------------------|---------------|---------------|
| Retail consumers     | 868,606,319   | 838,895,004   |
|                      | 4,155,606,086 | 3,091,678,192 |
| Income from Sewerage |               |               |
| Bulk consumers       | 616,545,704   | 277,799,133   |
| Retail consumers     | 278,298,065   | 258,764,904   |
|                      | 894,843,769   | 536,564,037   |

The KW&SB revenue is generated by the supply of water and sewerage services to all the consumers in Karachi. The consumers are divided into two broad categories - Bulk and Retail, Bulk consumers mainly comprises of large customers such as organisations and departments, ir by are billed according to the meter readings on a monthly basis, However, retail consumers are classified into residential, commercial, inclustrial religious and educational sectors and are billed on annual basis at the Tariff rates as applicable.
