The Board of Directors, Karachi Water & Sewerage Board

Dear Sir(s)

Financial statement for the year ended June 30, 2013

We are pleased to enclose our draft audit report on the draft financial statements for the year ended June 30, 2013 prepared by the management of the Board, duly initialed by us for identification purposes. We shall be please to sign and issue our report with or without further modification after:

- a) The financial statements have been approved and signed by the Managing Director and Deputy Managing Director (Finance) and two Directors from the Member of the Board.
- b) We have received direct confirmations in respect of Board's bank accounts maintained with the following banks:
- (i) Bank Al Habib Ac # 0879-79002942-03 University Road Branch.
- (ii) National Bank Ac # 03906-0 EOBI House Branch.
- (iii) National Bank Ac # 03937-0 EOBI House Branch.
- (iv) National Bank Ac # 0572-02 EOBI House Branch.
- (v) Arif Habib Bank Ac # 123-20620-71-105161 University Road Branch.
- c) We have received the Board of Directors resolution specifically approving the following:

Sr.#	Particulars	"Rupees"
1.	Addition of property, plant and equipment - at cost.	1,817,844/-
2.	Depreciation for the year.	583,314,652/-
3.	Amortization of Grant for the year.	10,609,697/-
4.	Addition in capital work in progress.	584,539,070/-

- d) We have received representation letter duly signed by the Managing Director and Deputy Managing Director (Finance) as per draft provided by us.
- e) We have received system generated adjusted pre closing and post- closing trial balances.

RESPONSIBILITIES OF THE AUDITORS AND THE MANAGEMENT IN RELATION TO THE FINANCIAL STATEMENTS

The responsibilities of the independent auditors, in an audit of financial statements, are explained in International Standard on auditing 200 "Overall objectives of the independent auditor and the conduct of an audit in accordance with international standards on auditing. 'While the auditors are responsible for forming and expressing their opinion on the financial statements, the responsibility for preparation of the financial statements is primarily that of the management in accordance with applicable financial reporting framework, which includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of financial statements that are free from material misstatement whether due to fraud or error. The management's responsibilities include providing the auditor with;

 all information, including records and documentation for accounts and information related to, other matters that are relevant to the_-preparation and presentation of the financial statements;

- (ii) any additional information that the auditor may request from the Institution and, where appropriate, those charged with governance; and
- (iii) Unrestricted access to those within the entity from whom the auditor determines it necessary to obtain audit evidence. The audit of the financial statement does not relieve the management of its responsibilities. Accordingly, our Examination of the books of accounts and records should not be relied upon to disclose all the errors or irregularities in relation to the financial statements

We would like to draw your attention toward the following important matters:

We will appreciate if the management can go through the following recommendations in order to conclude audit engagement effectively and efficiently.

- A person from the management must be appointed as a coordinator who is only responsible for the
 work of the Board. His responsibility includes coordination with different divisions, ensuring that
 information is available before the commencement of audit, balances are properly brought forward
 from previous year, books of accounts have been closed properly etc.
- Financial statements closing procedures like preparation of management accounts, booking of accrual expenses, preparation of bank reconciliation, recording of accrued revenue and investment income are properly executed at every division. This exercise should be done at least on quarterly hasis

1. Capital Work in Progress - Projects

I. THE GREATER 100 MGD WATER SUPPLY (K-III):

The project is part and parcel of K-III Scheme, directly financed by the Government of Pakistan as Grant in Aid, to provide additional 100 million gallons per day (MGD) water to the city of Karachi. We have observed that the measurement books and their supporting payment vouchers of two major contractors responsible for the execution of the project provided by the management did not reconcile with the treasury payment register and reconciliation statement.

ii. THE GREATER KARACHI SEWERAGE PLAN (S-III):

Greater Karachi Sewerage Project (S-III) is aimed towards improving environmental & sanitation conditions of Karachi through a well-integrated system of collection, treatment and disposal of sewage. The project is funded by both Federal and provincial Government. However, in the course of audit we found non availability of the Project initiation reports and the supporting documentation regarding inflow and outflow of the funds.

iii. <u>SCHEMES UNDER ANNUAL DEVELOPMENT PROGRAM:</u>

Schemes under the program are purely funded by the Provincial Government (G.O.S). Such schemes are necessary for the development and construction of pipelines in different areas of Karachi. However, in this regard management holds no such correspondence with the provincial Government provided by the management. Therefore, we are only able to verify the inflow and outflow of the funds through the provided bank statement of National Bank of Pakistan.

2. Trade Debtors

It was observed during the course of audit, the management could not take effective measures to recover outstanding dues from defaulters which indicates weak financial management and lack of concentration of the concerned department. Therefore, necessary steps are required to enforce the prescribed procedures for recovery of trade debtors on timely basis.

- (ii) any additional information that the auditor may request from the Institution and, where appropriate, those charged with governance; and
- (iii) Unrestricted access to those within the entity from whom the auditor determines it necessary to obtain audit evidence. The audit of the financial statement does not relieve the management of its responsibilities. Accordingly, our Examination of the books of accounts and records should not be relied upon to disclose all the errors or irregularities in relation to the financial statements

Greater Karachi Sewerage Project (S-III) is aimed towards improving environmental & sanitation conditions of Karachi through a well-integrated system of collection, treatment and disposal of sewage. The project is funded by both Federal and provincial Government. However, in the course of audit we found non availability of the Project initiation reports and the supporting documentation regarding inflow and outflow of the funds.

iii. SCHEMES UNDER ANNUAL DEVELOPMENT PROGRAM:

Schemes under the program are purely funded by the Provincial Government (G.O.S). Such schemes are necessary for the development and construction of pipelines in different areas of Karachi. However, in this regard management holds no such correspondence with the provincial Government provided by the management. Therefore, we are only able to verify the inflow and outflow of the funds through the provided bank statement of National Bank of Pakistan.

2. Trade Debtors

It was observed during the course of audit, the management could not take effective measures to recover outstanding dues from defaulters which indicates weak financial management and lack of concentration of the concerned department. Therefore, necessary steps are required to enforce the prescribed procedures for recovery of trade debtors on timely basis.

The Resource and Revenue Generation (R.R.G) department failed to provide the reconciliation summary of active bulk and retail consumers in order to conclude the amount receivable against water and sewerage services. We have observed there is no correlation between I.T and R.R.G department which constrains us to provide reasonable assurance regarding the accuracy of amount outstanding.

3. Availability of Funds Account:

We have not been provided any supporting evidence regarding the availability of funds released by the Provincial and Federal Government for the execution of projects and schemes reflected in the General ledger. Furthermore, we are only provided with the bank statement exhibits the inflow and outflow of funds against schemes under Annual Development Program (ADP).

4. Consumer Security Deposit:

- a- The Board does not maintain month wise consumer security deposit ledger due to which the deposits made during the year in lieu of water connection could not be reconciled with the supporting documents provided by the management.
- b- The monthly recording in the cash book represents the official records of the KW&SB. We observed discrepancies with respect to the transfer made from this account.
- c- Challan pertaining to Consumer deposit represent following details:
 - Connection service charges
 - Security deposit.

The details regarding connection service charges were not provided by the management

5. Execution of Contracts:

We have not been provided completion reports (PC-I to PC-V) of any of the projects completed during the year. However, the Board should direct the project directors to make it mandatory to maintain project completion reports since the inception of schemes/projects as mentioned in the manual for development projects.

6. Payment to Contractors:

We observed that management releases part payment to contractors, purely at their discretion, having no supporting evidences attached to the payment vouchers. There is no formal policy or basis adopted by the Board for payment to the contractors.

7. Payable To Employees

Following are the findings with respect to Payable to Employees during the course of audit:

- a- We observed that the reconciliation provided by the fund department did not match with the general ledger provided by the I.T department.
- b- No recording of interest incurred on employees' fund in the books of account.
- c- The interest rate policy applicable on employees fund not provided by the management.

8. KESC Payment:

We observed that there is no proper recording of electricity charges in K.E.S.C ledger maintained by the concerned department. However, upon inquiry from management, we found that payments were made by Government of Sindh on behalf of the Board, thus no proper record or documentation is maintained in this regard.

Revenue:

Resource and Revenue Generation Department does not maintain separate billing summary reports for bulk and retail consumers. During the course of audit, we have observed non-reconciliation of collection summary provided by the relevant department with Revenue and Resource Generation department, thus resulted into non-verification of collection recorded in the cash books.

9. Expenditure:

Every payment voucher must be supported by a third party invoice / bill. All financial transactions should be duly authorized and recorded promptly, clearly, accurately, logically and coherently. However, in majority of cases the proper supporting documents were not attached with the payment vouchers.

I. PAYROLL:

List of employees joined and resigned during the year does not reconcile with the employees monthly payroll sheets. No personal files of the selected employees joined and resigned during the year were provided during the course of audit in order to assure the controls for appointment and discharge of the employees.

II. LEGAL AND PROFESSIONAL CHARGES:

We have not been provided the agreements of the legal advisors during the course of audit and we could not ascertain what services have been rendered by them and the payments made to them against those services.

III. SERVICE CHARGES AGAINST COST OF RAW WATER:

We have not been provided with the agreements with the Government of Sindh (G.O.S) and Water & Power Development Authority (WAPDA) in lieu of irrigation services for making the raw water available to the bulk transmission and distribution.

IV. CHEMICALS CONSUMED:

With respect to expenditure amounting to Rs. 92,255,400/- in lieu of chlorination of raw water, we have observed that no third party evidence is attached to the payment vouchers.

V. REPAIR AND MAINTENANCE OF VEHICLES:

We have not been provided any Log books, history sheets, vehicle maintenance record against vehicle maintenance expenditure amounting to Rs. 181,047,029.

10. Internal audit functions:

It has been noted that internal audit function, apart from pre-audit of payments and post-audit of transactions, may be extended to compliance and monitoring required under its operating manual. Further, we have not been provided any internal audit report. There should be a separate section in finance department instead of audit department which should pre review all large payments as the basic responsibility is that of Finance and not of audit.

11. Financial and Accounting Policies:

Financial statements closing procedures like preparation of management accounts, booking of accrual expenses, preparation of bank reconciliations, reconciliation of contractor's ledger with the system etc. should be done before the commencement of audit engagement. We have noted that certain departments do not have documented accounting and financial policies and procedures. Further the Key personnel should be made aware of the accounting policies and standard operating procedures that are adopted by the Board. This leads to inconsistency in policies.

12. Accounting Software:

We noticed that the computerized accounting software CRT has been employed by the Board since long. However, we are of the view that the software needs updating, particularly with the modernization in the field of finance and accounts.

13. General:

We have been advised by the management that as of the date of financial statements:

- All events subsequent to the date of financial statements have either adjusted or disclosed.
- There are no contingencies and commitments other than those disclosed in the enclosed draft financial statements.

We wish to place on records the courtesy and co-operation extended to us by your staff during the course of our audit.

Naveed Zofter A&Ha) Jey &n, Naveed Zafar Ashfaq Jaffery & Co. Chartered Accountants. KARACHI WATER AND SEWERAGE BOARD **FINANCIAL STATEMENTS FOR THE YEAR ENDED** JUNE 30, 2013

Auditors' Report

Report on the Financial Statements

We have audited the annexed balance sheet of Karachi Water and Sewerage Board (the Board) as at June 30, 2013 and the related income and expenditure account and the cash flow statement together with the notes forming part thereof (herein after referred to as the "financial statements") for the year then ended.

Management's Responsibility for the Financial Statements

It is the responsibility of the Board's management to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with the approved accounting standards as applicable in Pakistan.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on the audit conducted in accordance with International Standards on Auditing. Because of the matters described in the 'Basis for Disclaimer' of Opinion paragraph, we were unable to obtain sufficient appropriate audit evidences to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

- No Proper documentation is maintained against the receipt of funds released by the Provincial
 and Federal Government during the year. The amount of Rs. 1,275,899,698/- credited during the
 year to the Fund Account represents the releases made against the funds for the execution of
 various projects. Therefore, in the absence of any documentation or correspondence by the
 Board, we were unable to verify the completeness of the receipts made against the funds
 released by the Government.
- 2. We have not been provided documentation relating to long term loan by Karachi Development Authority and Government of Sindh amounting to Rs. 103,116,647/- and Rs. 57,977,000/-respectively as shown in notes no. 6.2 and 6.3 to the financial statements. Therefore, we are unable to assess the adequacy and appropriateness of the amount disclosed in this respect.
- 3. Proper record / documentation for long term deposits amounting to Rs. 62,522,126/- stated in the Balance Sheet which represents security deposits received from consumers against water supply and sewerage services is not maintained, thus we are unable to verify the completeness of the deposits made during the year. However, the receipts vouchers against such deposits provided by the management did not reconcile with the aggregate deposits made in such respect during the year.
- 4. As disclosed in note 9.1 to the financial statements, an amount of Rs. 4,133,494,282/- represents dues outstanding payable to Karachi Electric Supply Corporation (KESC) on account of electricity charges. The accuracy of the amount could not be ascertained in the absence of related documentation consequently; we are unable to ascertain the amount due.
- 5. As disclosed in note 9.1 to the financial statements, an amount of Rs. 2,330,312,652/- has been shown as payable to employees on account of staff retirement benefits. It includes amount outstanding in lieu of general provident fund of the employees. As per the Sindh General Provident Fund Rules 1938, Government shall pay interest to the credit of the account of an

employee subscribed at such rate, as may be prescribed by the Government of Sindh annually. However, the information and amount in respect of opening balances and contribution made to the fund differs from the information provided by the Fund department. Further, no provision of interest has been accounted for in these financial statements; thus, we are unable to assess the adequacy and appropriateness of the amount disclosed in these financial statement in this respect.

- 6. Accrued expenses, as disclosed in note 9.1.2 to the financial statements, include an amount of Rs. 54,261,450 which represents interest on loan provided by Provincial Government to Karachi Development Authority in 1987 which was subsequently transferred to the Board. However, no documentation has been provided to us to determine the provision for any interest charges subsequent to June 30, 1993 which was required to be made in these financial statements.
- 7. We were not provided consolidated division-wise fixed assets register as required under the Rules of the Board nor any details or breakup of Property, Plant and Equipment amounting to Rs. 13,170,155,243/- as stated in Balance Sheet were provided, thus in the absence of such record, we are unable to verify the valuation and physical existence of fixed assets.
- 8. We were not provided the project completion reports relating to Capital Work in Progress amounting to Rs. 23,175,254,263/- with respect to various projects in progress as such completion reports are not maintained by the Board. Consequently, we are unable to determine whether the projects have been completed and those are correctly classified and stated in the Balance Sheet. Hence, no impact of depreciation is accounted for in these financial statements.
- 9. As disclosed in note No. 15.1 to the financial statements, an amount of Rs. 13,087,790,902/represents receivable against water and sewerage charges from consumers of bulk sector. The consumer wise breakup provided by the billing department did not reconcile with the month wise breakup provided by the I.T department. Thus we are unable to verify the accuracy of the demand generated against the consumers' billing during the year.
- 10. Trade debtors amounting to Rs. 9,757,209,232/- represents amounts receivable against water and sewerage charges from the retail consumers, which due to transition of the data transmission from the I.T department to the billing department has resulted in numerous errors. As a result, we have not been able to verify the existence and accuracy of the amount of retail consumers shown in the Financial Statements. Moreover, the Board has made a provision of Trade Debts amounting to Rs. 5,268,254,904/- for which no basis is shared with us; hence we are unable to determine the accuracy of provision against doubtful debts.
- 11. As disclosed in Note 17 to the financial statements, the amount of Rs. 304,793,307 represents receivable from Karachi Development Authority and Karachi Metropolitan Corporation appearing in the books since the time of forming a separate body corporate under Government of Sindh. However, the management is of the view that the balance will remain constant and there is no subsequent change in the balance. However, the nature of such receivable could not be ascertained and the management could not provide proper documentation in this regard. Therefore, the amount outstanding against Karachi Development Authority and Karachi Metropolitan Corporation remains unconfirmed by the concerned authorities.
- 12. No breakup and details of the revenue generated against consumers of water as shown in the income and expenditure account has been provided to us and in the absence of any supporting document, we are unable to verify the accuracy of the amount of revenue generated in lieu of water charges.
- 13. The Board does not recognize late payment surcharge as an income on accrual basis in these financial statements. However, it directly credits the trade debtors as and when the surcharge on late payment is received, instead of recognizing it as an income. Consequently, the amount outstanding against trade debtors and revenue of the board are materially understated in these financial statements in respect of surcharge.

NZD

- 14. As disclosed in note 21 to the financial statements, cost of revenue includes expenditure incurred on account of repair and maintenance on the projects once those are completed. As mentioned in the manual for Project development, the project proforma (PC-V) is required to be furnished on an annual basis for a period of five years by the agencies responsible for the operation and maintenance of the projects. However, in the absence of PC (V), the actual amount of capital and revenue expenditure incurred on the projects during the year could not be bifurcated. Therefore, we could not determine the adequacy of the amount representing revenue expenditure on the projects.
- 15. The Board in its annual budget allocates significant amount of funds for carrying out development works. However, no formalized capitalization policy is maintained to distinguish between capital and revenue expenditure.
- 16. The balance confirmations from a bank namely National Bank of Pakistan having account # 0572-02 with a balance of Rs.3,127 and United Bank Limited having account # 120001-9 with a balance of Rs. 601,137/- have not been received. Therefore, the balance remains unconfirmed and we are unable to determine the existence and accuracy of the balance outstanding.
- 17. Confirmations from legal advisors dealing with significant cases have not been received, due to which we have not been able to verify the existence of any legal disputes which may require disclosures of contingencies or which may have a material impact on the financial statements at the reporting date.

Disclaimer of Opinion

Because of the significance of the matters described above in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements. N2M

KARACHI WATER AND SEWERAGE BOARD NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

1 LEGAL STATUS AND NATURE OF BUSINESS

Karachi Water & Sewerage Board (KW&SB) is a body corporate, established on 21st February 1983 as a Board within the Karachi Metropolitan Corporation (KMC) under Chapter XVI Section 121 of the Sindh Local Government (Amendment) Ordinance, 1983 (the Ordinance).

From that date it took over the water distribution system from Karachi Water Management Board (KWMB), Bulk Water Transmission from Karachi Development Authority (KDA) and sewerage system from Karachi Metropolitan Corporation, in all the districts of Karachi. The KW&SB has been separated from KMC and formed as a body corporate under the direct control of the Government of Sindh (GOS) vide Karachi Water and Sewerage Board Act, 1996 assented, by the Provincial Assembly of Sindh on 15th April, 1996.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the Sindh Local Government (Amendment) Ordinance, 1983 (the Ordinance), the Sindh Council (Budget) Rules 1985, the Karachi Water and Sewerage Board Act, 1996 and the generally accepted accounting principles as applicable in Pakistan.

2.2 Basis of measurement

These financial statements have been prepared under historical cost convention except, for sewerage assets transferred from Karachi Metropolitan Corporation in 1983 and accounted for in the books of accounts in the year 1995-96, on the basis of valuation done by the Board's consultant at the replacement and current market values.

Accrual concepts

These accounts have been prepared on accrual basis, except certain employees benefits expenditure, which are recognized on payment basis. This practice is in accordance with the provision of section 74 sub section (1) and (2) of the Sindh Council (Budget) Rules 1985.

Presentation of Financial Statements

The form of presentation of these financial statements accord generally with the need of major International Lending Agencies.

2.3 Functional and presentation currency

These financial statements have been presented in Pakistan Rupees, which is the functional currency of the Company and rounded off to the nearest rupee.

3 Significant Accounting Policies

The principal accounting policies adopted are set out below:

3.1 Government grants

Assets-related to grant received from government are initially recognized in grant as deferred credit and carried to balance sheet and upon completion of the project, are appropriated as income by setting off against the charge of depreciation as given in note 13.1 on a systematic basis over the useful life of the related assets.

3.2 Loan from international lending agencies

Transactions denominated in foreign currencies are translated to Pak Rupees at the foreign exchange rate prevailing at the date of transaction. Monetary assets and liabilities in foreign currencies are translated into rupees at the closing rate of exchange prevailing at the balance sheet date. Exchange gains and losses are taken to the income and expenditure account except for certain exchange differences on balances with the international Monetary Fund which are transferred to the Government of Pakistan account.

Nan

3.3 Creditors, accrued and other liabilities

Trade and other payables are recognized initially at fair value plus directly attributable cost, if any, and subsequently measured at amortized cost.

3.4 Short-term deposits

These represent work executed on the authorization / approval of GOS and, other agencies through contractors and excess of work done over payments to contractors on account of specific work is classified as short-term deposits

3.5 Staff retirement benefits

According to the Ordinance, the Pension, Gratuity and other service benefits admissible to employees of Karachi Development Authority, Karachi Metropolitan Corporation and Karachi Water Management Board, who retired or died while serving in Water Supply and Sewerage Services before the commencement of the Ordinance shall be the responsibility of the Board. Payment in respect of all staff retirement benefits whenever due are being made by the Board and duly accounted for in the books of accounts, annual provisions are made to meet the obligation of pension and other employees benefits.

3.6 Property, Plant and equipment

Fixed assets are stated at cost less accumulated depreciation. Depreciation on fixed assets except land is charged to income applying the reducing balance method at the rate specified in the Income Tax Ordinance, 1979 except in the case of motor vehicles which are depreciated @ 10% per annum.

In respect of additions, depreciation is charged for the full year and no depreciation is charged on deletions in the year of disposal. Gains and losses, if any, on disposal of assets during the year are taken to income and expenditure account.

The assets shown under 'schemes' represents capital expenditure incurred on the specific Schemes and Projects. These include cost of pipelines, civil works, equipment's, furniture and establishment expenditure. Expenses on minor repairs, improvement and development of pipelines etc., are charged to income and expenditure account as and when incurred.

Assets taken over from KMC in 1983 were incorporated in these accounts as fixed assets during the year 1995-96 on the basis of a valuation placed by Board's consultants. The related credit has been accounted for as capital reserve. Depreciation is being charged from the date of incorporation of these assets in the books of accounts of the Board.

Sewerage assets generally include mains, sewers, impounding and pumped raw water storage reservoirs and sludge pipelines and plants and machinery

Expenditure relating to increase in capacity or enhancement of the network is treated as additions to the sewerage assets. Expenditure on maintaining the operating capabilities of network is charged as operating costs.

Sewerage assets are depreciated over their estimated operational economic lives. Assets in the course of construction are not depreciated until commissioned.

3.7 Capital work in progress

Capital work-in-progress is stated at cost less accumulated impairment, if any, and consists of expenditure incurred and advances made in respect of property, plant and equipment in the course of the acquisition, erection, construction and installation, including salaries and wages and any other costs directly attributable to capital work-in-progress. The assets are transferred to relevant category of operating fixed assets when those are available for use. Spare parts, standby equipment and servicing equipment are recognized as property plant and equipment when these meet the conditions to be classified as such.

3.8 Stores and spares

Stores and spares are valued on average cost. Stores and spares purchased for projects are charged off to relevant projects irrespective of their physical consumption/usage. Other direct purchases of stores and spares are charged to relevant budget grants. The applicability of the provision of Para 115 (b) Section II of Sindh Financial Rules relating to the valuation of the inventories in hand at the end of the year are not considered due to their insignificant value at the close of the year.

NOM

3.9 Trade debts

Trade and other receivables are recognized at fair value and subsequently measured at amortized cost less impairment losses, if any. Actual credit loss experience over past years is used to base the calculation of expected credit loss.

3.10 Cash and cash equivalents

Cash and cash equivalents for cash flow purposes include current and deposit accounts held with banks. A Treasury Single Account (TSA) is a unified structure of government bank accounts that gives a consolidated view of government cash resources. Based on the principle of unity of cash and the unity of treasury, a TSA is a bank account or a set of linked accounts through which the government transacts all its receipts and payments.

3.11 Provision for doubtful debts

The Boards policy for provision for doubtful debts is made as per the following estimates. Debtors outstanding for the period:

1-2 Years	5%
2-3 Years	10%
3-4 Years	15%
4-5 Years	50%
5 Years and above	100%

3.12 Revenue recognition

Income on account of water and sewerage charges is recognized on accrual basis.

Interest income from banks is accounted for on the basis of actual receipts net of withholding tax.

3.13 Expenses

All expenses are recognized in the profit and loss account on an accrual basis.

3.14 Provisions

A provision is recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. However, provisions are reviewed at each balance sheet date and adjusted to reflect current best estimate.

These are incorporated in the books of account of the Board on the basis of consultant's reports. Such reports were approved by the Board in its meeting held on April 17, 1986.

- 4.1.1 These debentures were issued by the KDA and at the time of taking over of assets and liabilities these were incorporated as capital reserves and hence no interest has been charged in accounts since 1983.
- 4.2 This represents assets transferred from KMC in 1983. Due to non-availability of proper record, these were not taken into account in earlier years upon the transfer. A consultant was appointed to carry out the valuation of these assets. The consultant's report was considered by the Board and value assigned to these assets by the consultant were incorporated in these financial statements.
- 4.3 This represents the net effect of restatement of consumers receivable on account of balance outstanding against water bills abstained from input into the computer system.

5 FUND ACCOUNT

	Funds released by Federal and Provincial Government for:			
	Foreign aided projects	5.1	3,991,728,491	3,991,728,491
	The Greater 100 MGD Water Supply (K-III) Project	5.2	7,340,435,486	7,340,435,486

- 14.2 This represents balances in the banks associated with projects which are still outstanding.
- 14.3 The Board undertakes various schemes from the allocation of fund by the Government of Sindh (G.O.S) and other agencies. The Board is benefited from the ultimate use of such assets and the revenue generated there from. A review of such schemes was carried out based on the book value.
- 14.4 This represents capital expenditure on Greater 100 MGD water supply (K-III) to Increase potable bulk water supply and further augment water availability by introducing water loss reduction measures. It is financed through Government of Pakistan (G.O.P) as Grant in Aid for water supply sector. The Project is the part and parcel of K-III Scheme to provide an additional 100MGD water to the city of Karachi
- 14.5 This represents capital expenditure on the Tameer-e-Karachi Programme (TKP), geared specifically towards rebuilding Karachi (and to some extent, Sindh) by providing vital physical infrastructure and other civic amenities in key target locations, particularly in the industrial areas through the concerted efforts of the CDGK, and the Provincial government.
- 14.6 Greater Karachi Sewerage Project (S-III) is aimed towards improving environmental & sanitation conditions of Karachi through a well integrated system of collection, treatment and disposal of sewage. The existing sewage disposal system lacks treatment, facilities and requires conveyance network for the sewage to divert it to the treatment plants which are currently being disposed off into sea.
